## HAYS SCHOOL

### MESSAGE FROM PRINCIPAL

Spring is here and so is track and field. Lynn is starting practices tomorrow. Hope to see a lot of junior high students participating for Hays School.

I am very pleased with our school and all the new things we have implemented. Our CRM meetings have really helped the teachers to set goals for individual students. We also have had many new options this year; Cooking Classes, Year Book classes, Photography classes, Wood Working classes and of course the building of our "Tiny House". We are very excited to be doing work on the Tiny House and have a few things on our wish list. A list of the items needed to be donated yet will be coming home soon. *Our Tiny House Auction will be on June 21 at 1pm.* At Hays School we appreciate all the help our community has given us. We are truly blessed to live in such a fabulous community. Small communities can work together to get so many things accomplished. What an awesome place to live.

So- let's celebrate Spring and really enjoy nature and treat ourselves well. Our new theme for the month of May is "Do Your Best." Let's really try to do the best we can on this month's theme. Let's work hard to meet our goals.

### "Dino-Mite" Book Fair

The Hays School will be hosting the Scholastic "Dino-mite" Book Fair May 6-14, 2019. This is an exciting event for our school that gives our students, staff and community members an opportunity to purchase new and best selling books while at the same time helping raise money for our school library. New this year is the Classroom Wish List program. This program allows families and community members an opportunity to purchase books for their child's classroom library to help ensure that our classrooms have new and exciting books available for our students. To purchase a book and participate in this program please come into our Book Fair or contact the school for further information.

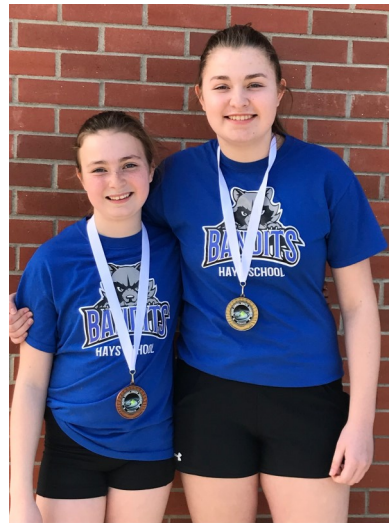

Book Fair will be open daily from 9:00am- 3:30pm and open to students both morning and lunch recess. Please join us for our Community Night full of snacks, games and activities on Tuesday May 7, 2019 from 6:00pm- 8:00pm. Hope to see you there!

Our 5 Badminton teams represented our school very well at Divisionals. We are so proud of all of you Bandits. Congratulations to Brynn Retzler for winning bronze, Lisa Friesen for winning silver and Ashlyn Retzler for winning gold. Lisa and Ashlyn move on to Zones in Lethbridge on May 4th.
