STUDENTS of the MONTH

Grade 7 - Grace Broderson

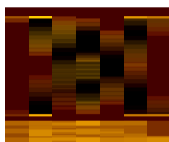

Since returning to in person school from online, Grace has made such a positive impact on our classroom community. Grace comes in everyday with a huge smile on her face for each of her classmates and teachers. Her infectious personality is truly a one of a kind, thanks for being awesome Grace!

Grade 8 - Langdyn Cummins

Langdyn has been working incredibly hard to increase his ability to focus in class and participate meaningfully in learning activities. I have been impressed with Langdyn's ability to show respect to both his classmates and his teachers this month. Way to go, Langdyn!

Grade 9 - Isabella Venter

Isabella has been a wonderful addition to our class. She has a great sense of humour! I appreciate how hard she works on all assignments and her always positive and sunny disposition. We're lucky to have you join us at VHS!

Fundraising has taken on a new look for us this year and we are hosting our own March Madness! We will be hosting an online auction kicking off March 1 to the 14th. Your participation in our raffle and auction will assist us in providing young student athletes an unparalleled baseball and rural Alberta life experience.
