## HAYS SCHOOL MESSAGE FROM PRINCIPAL

Hello students, parents, grandparents and Hays Community - it has been a fabulous beginning to our School Year. We were happy to see about 25 people at our "Meet the Teacher" night. I know a lot of people were harvesting so we look forward to seeing you at another time. If you have any questions or concerns please call me anytime at 403 393-4381.

Hays School is so thankful for all the renovations that took place over the summer months. We appreciate everything the District Office does for us to organize these renovations. We had power put into our shed so we can use power tools in our woodworking class.

I want to remind all students and parents that our first bell goes at 8:00 in the morning. We start announcements at 8:03 and our first class starts at 8:05-8:55. Please come to school with proper clothing like coats and outdoor shoes. We will be going outside every recess as fresh air helps us to do our best in our classwork.

Upcoming events at Hays School, Junior High cross country run Wednesday October 6th, we are having a Turkey hot lunch for \$5.00 per student (Turkey, stuffing potatoes, gravy, a cookie and a juice box) on Thursday October 21.

The volleyball team is working hard getting ready for some away games. We cheer for them from afar as parents and small children are the only ones allowed to be in the gym to watch. Parents must be wearing a mask.

Please make sure your students are wearing their masks on the bus. So far we have done OK not having too many sick kids. Keep up the good work everyone. It really does make a difference.

It is a time to be Thankful for all the blessings given to us. Take time and celebrate Thanksgiving in small family groups, so we can all be safe. Monday October 11 is a day off. Take care and stay healthy everyone!

**Congratulations to Mr. Toth and his wife on the birth of their bouncing boy Fielding Stewart. He was a healthy 9lbs 8oz. Fielding is the fourth child for Mr. & Mrs. Toth.**

Field Trip to Frank Slide Interpretive Centre and Bellevue Mine was a huge hit!

Thank you to the Hays Parent Council for providing the bus. It has been a long 18 months since we have been able to go on a school wide field trip. The students and staff thoroughly enjoyed it!

The PAA had their AGM on September 27th. Thank you to the parents that have agreed to be on Parent Council again this year. It is **vital** to our school and community to have a Parent Council. They provide hot lunches once a month for purchase as well as pay for things such as field trips, bussing, sporting equipment and the Children's Missoula Theatre. You are welcome to attend any PAA meeting. Come and help make decisions about your child's education. The meetings are only once a month for about an hour.
