HAYS SCHOOL

MESSAGE FROM PRINCIPAL

As I sit down to write this January 2022 message - it might be really nice to say "Good Bye" to 2021. I am wishing for every family to have a prosperous and new start to 2022.

School starts again on Tuesday January 4 and we come to school on Friday January for a half day. I look forward to seeing all the students happy, smiling faces during this time.

In February we had hoped to host another gala at the hall, but with the COVID restrictions we have decided to do an online auction. Thank you to all of the parents and community for the continued support for our amazing little school.

Mrs. Howg has decided to be a stay at home mom and we wish her well. Also Miss. DeGroot has finished her PSIII, we congratulate her on her accomplishments. Our German Teacher has also resigned and we wish her well at her new job. Therefore we are looking for some more staff members to work at Hays School. Please tell your friends and family to apply through the Horizon website.

I would like to say WELCOME 2022 and pray that this year is peaceful and happy for everyone! Merry Christmas everyone, see you in the New Year.

Tracey Nadeau
Principal Hays School

Merry Christmas &
Happy New Year

FROM ALL THE STAFF
HERE AT HAYS SCHOOL
WE WISH YOU ALL A VERY
MERRY CHRISTMAS AND A
PROSPEROUS, HAPPY NEW
YEAR!

**HOT LUNCH
JANUARY 27TH
THANK YOU
SARA SIEMENS
THANK YOU MRS. NADEAU &
MR. KENNEY FOR
DECEMBER'S HOT LUNCH**

ENJOY THE CHRISTMAS
BREAK WITH YOUR
FAMILIES!

This year we have decided to host an online auction from Feb 4th - Feb 11th, 2022 for our school fundraiser. Our students will be putting in some of their artwork, photography and homemade baked goods.

The proceeds of this event will help provide funds for field trips, resources for the library, Art & Science, athletic materials, and technology.

The students and staff of Hays School would like to thank everyone who made this event possible.

Happy Bidding!

Please be sure to send your child with appropriate winter gear as we will continue to go outside until the temperature reaches -20°C .

SCHOOL SPIRIT DAY

JAN 18 - INSIDE OUT DAY

The next PAA meeting is on January 10 at 7:00pm

On November 9, 2021, the Hays School Grade 4-6 Math Class wrote the Grade 5/6 Beaver Computing Challenge (BCC). The BCC is a contest put out by the Centre for Education in Mathematics and Computing (CEMC) which is run from the University of Waterloo. The BCC introduces computer science to students. It is designed to get students with little or no previous experience excited about computing. In our school, two students scored in the top 25% of all students across Canada. Hays School would like to recognize and congratulate Gracie Thiessen (Grade 4) and Cristina Giesbrecht (Grade 5) for their achievement in this contest.
