

MAY BANDIT NEWSLETTER

2024

Principals Message

Hello Families!
It is hard to believe that it is May already and that there is only one more newsletter for this school year! Our students, staff, and parents are enjoying reading *The Wild Robot* for our One-School-One-Book. If your family wants more after the book is done, our school has purchased the next book in the series and it is waiting in the library to be signed out. Track and Field Day will take place at Vauxhall Elementary School on May 15th for students in grade K-6. The students in grades 7 and 8 will be heading to volunteer at the Lethbridge Soup Kitchen on that day. We are in the middle of planning the final details for our year end field trip, which will take place in June. Keep an eye on the weather this month because we might still have some rainy and cold days. Have your child pack their jacket as well as outdoor shoes!

Amanda Cayford
