Hello Hays Family!

These last few weeks are going to zoom by but it is important to take a moment and enjoy the little things around us. Our students are wrapping up their learning for this school year and our teachers are busy making sure that each student has a chance to show us just how much they have grown during this school year.

This community is very special and I feel so much gratitude to have shared this school year with everyone. As I write my final message as your principal, I find myself looking forward to the new adventures that the fall will bring to the Hays community, and I know that there will be many!

Change can be hard for us all but some changes have incredible outcomes. There will be some staffing changes for the next school year but I hope that our new staff will have the chance to experience the warmth that comes from this community. Mrs. Furlanich, Mrs. Boes, and Ms. Hamm will be heading out on their own new adventures next year and we wish them all the best but they will be missed. Mr. Kenney will be a familiar face and he will be supporting our students in grades 4-9, specifically with math, science, and options. Look inside the newsletter for more information on our staff.

Finally, the last Parent Council meeting will be on June 10th at 4:00pm and I encourage all parents to come out and have a say on some important topics.

Amanda Cayford
Hays Principal
