## Principal Messgae

Greetings Parents and Guardians,

We have had a great start to the school year thus far. The month of September was a busy one. We had a welcome back pancake breakfast for the students in our first week. There was a great turnout for our Welcome Back/Meet the Teacher BBQ. Thanks to all those who attended and helped out to make it a successful event. On September 26 we held our annual Terry Fox. Run. A huge thank you for all the donations received for this worthy cause.

October is upon us now and I'm always amazed at how time seems to fly by. October is a month that we have the opportunity to stop and take time to be thankful. I am thankful for all the staff and students we have and their hard work and enthusiasm. I am also thankful for you, the parents and guardians of our school who work hard and support us. This month we are looking forward to having parents and guardians coming to school for parent - teacher interviews where we get the opportunity to celebrate your child. In conjunction with the interviews we will be having a Kids Chilli Cook-off, so be sure to attend so that you can help us decide which group of kids made the best chilli!

Yours in partnering for your child's education,

Douglas Kenney, Acting Principal
