## Principals Letter

Dear Hays Community,

The month of November went by so fast. In November, we held a Remembrance Day ceremony and enjoyed a spaghetti hot lunch made by Sara Siemens (Thank you!). There are a few months this school year where we need hot lunch volunteers. It would be wonderful to have some Mennonite dishes offered, if possible. If you're interested in doing a hot lunch, please talk to Sandi Hughes.

In December we look forward to several activities. Since we read *The Wild Robot for One School One Book* last year, we will be watching the movie as a school on Thursday December 12 which will also be a pajama day. Dress comfy and cozy for a movie afternoon!

On December 19 we will be having hot lunch (Thank you Mr. Kenney) and a rehearsal for our Christmas concert in the afternoon. The Christmas concert will be at 7pm on December 19 and everyone is welcome to attend. It will include a traditional German program again this year. After that day we can all enjoy a winter break and return to school on Tuesday January 7, 2025.

In partnership for student success,  
Mrs. Sandi Hughes  
Principal
