

Bandits Newsletter

March 2025

Principals Note

Dear Hays Community,

Thank you Mrs. Bueckert for hot lunch in February.

In March we have two school spirit days planned by student leadership. March 6 is jersey day and March 17 is try a new food day. We also have two hot lunches from the Hays restaurant, taco in a bag on March 6 and chicken strips and fries on March 20. Most students have elected to participate in our Easter concert on April 16, so we are excited to begin preparations for that as well.

On March 19 the whole school is going on a field trip to the Lethbridge YMCA. We are hoping to send four of our oldest students to the Science Olympics in Enchant on March 27. Students in badminton may have an opportunity to go play in a tournament against other schools so please keep an eye out for information on that.

Please note there is not school on March 10 (PD Day) and no school on March 31. There are no Fridays with school in March.

In partnership for student success,
Mrs. Sandi Hughes
Principal
